MARKED FOR DEATH

"Three years ago I was marked for death. A grave-yard cough was tearing my lungs to pieces. Doctors failed to help me, and hope had fled, when my husband got Dr. King's New Discovery," says Mrs. A. C. Williams, of Bac, Kv. "The first dose helped me and improvement kept on until I had gained 58 pounds in weight and my health was fully restored." This medicine holds the world's healing record for coughs and colds and lung and throat diseases. It prevents pneumonia. Sold under guarantee at Phillips Drug store. 50c and \$1.00. LARGE CROWD GOING ON SPECIAL TRAIN

Fast Broom Ball Game is Expected at Lexington Tuesday Night.

Quite a large crowd is expected to accompany the local broom ball team to Lexington tomorrow (Tuesday) night to see them line up again against the fast Fayette team. Already there has been a large number of tickets sold and more than one hundred more have signified their intention of going.

There will be plenty of room on the train to accommodate all who care to go. The special will consist of two passenger cars and one baggage car. It will leave here at 6:45 o'clock and arrive in Lexington at 7:30.

Those who care to go and take their own skates may have them checked at the Auditorium any time Tuesday and they will be taken to the rink at Lexington and returned home without any trouble or extra cost to the owners.

The local team has been working hard the past few days getting ready for the battle and are confident that they will break the tie that is existing between them now and take the fast Lexington bunch into camp.

IMPROVEMENTS AT THE LOCAL OPERA HOUSE

Manager Dinelli Has. Ordered New Scenery—Has Booked Some Good Shows.

Manager Dinelli of the local theatre has ordered several new pieces of scenery for the opera house to take the place of some that have been in use for the past twenty years. The new scenes have been ordered about three months and they are expected to arrive in the next few days.

As soon as they arrive the old ones will be removed and the new ones will be put in their places at once.

The new scenes consist of a new plain chamber scene, a new street scene, and a new garden scene.

The scenes were made by a noted artist of Rochester, Mass., and are very expensive ones.

Manager Dinelli is making several other improvements around the opera house that will add greatly to its beauty and make it more convenient to handle some of the large shows that he intends putting on this season.

The following is a partial list of some of the coming attractions:

Lyman H. Howe's Moving pictures.
 Merry New York Maid.
 Dandy Dixie Minstrels.
 Sis Perkins.
 Flaming Arrow and Toy Makers.

All kinds of China on a special table. YOUR CHOICE FOR TEN CENTS. HENRY H. HALL.

Justness of Judgment.

He alone reads history aright who, observing how powerfully circumstances influence the feelings and opinions of men, how often vices pass into virtues and paradoxes into axioms learns to distinguish what is accidental and transitory in human nature, from what is essential and immutable. —Macaulay's Essay on Machiavelli.

Great Scott!

If our people don't know a good thing when they see it, no use of looking for people who do.

We mean this in candid sincerity, and we want to thank the people who have so generously heeded our solicitations for their work in the last six weeks.

We are now adding to our force at the rate of one man a day.

And now that the Tobacco money is soon to become a Prodigal Son, let's all put our shoulder to the wheel of prosperity, and show the world that Winchester is not only the home of the largest deal, but is the largest 10,000 city of this glorious America. And that the
